“ *I cant believe that it has been a month that you have been gone from our lives. We think of you daily, and I find myself wishing for you to call and harp on me about getting my homework done! IT IS!! Thank you for leaving Zeke signs that you are watching over him, he says the change is from grampy in heaven! We love you so much, and miss you even more!

“It’s natural to wonder why people die, especially when we lose someone close to us. The Bible says: “The sting producing death is sin.”—1 Corinthians 15:56. So never blame God for losing your loved one. God promises a time when “he will actually swallow up death forever.” (Isaiah 25:8) To remove death, he must eliminate its root cause, which is sin. God will do this through Jesus Christ, who “takes away the sin of the world.”—John 1:29; 1 John 1:7.
