“ *My Dearest Lisa*

Although for years we have been so far apart you are always close to my heart. Your in my every thought and I'm praying for you and Ariana. With time it does get easier knowing there is one more angel in heaven to watch over your precious Ariana. Out of bad situations good things still do happen this is a way for me to to reach out and become a bigger part of your life. I think my favorite memory of Dennis is after my moms funeral Chris and Dennis were in our kitchen making margaritas and Chris thought Dennis "Meowed" at him. Of course I thought it was my mom coming back as a cat !! Look for your sign...he will let you know he's in a better place. I love Lisa.

*With all my love
Marie

“ I remember being a roadie, working lights and sound for the band with Joe, Dennis and Donnie. Those were some great times and I cherished being a part of their family. Dennis stood up in our wedding but, when we moved north and got busy raising our family, we lost touch with each other. Our sincere condolences to his family and friends for your loss. May he rest in peace and be remembered for all the happy memories he shared with all of us.

I just hear that Dennis had passed, I had dropped off a Christmas card to his place just before I heard the startling news from another neighbor. I have been truly privileged to have him as a neighbor and a friend. The love for his family espically Ariana was evident in all his words and actions. He enriched my life from his music played in the evenings on the porch or just chatting about life. He kept an eye out, when he had seen my car light on and cared enough to let me know, it was the last I saw him and I am glad that we took a bit of extra time to talk. I will miss him, he enlivened the neighborhood, I am glad only that he is free from all the earthly ills that pained him. Bless Dennis, he truly blessed us.

My fondness memories of Dennis are his kindness. I have not seen him in years, but remember his caring heart. When my car was snowed in, I remember him and Lisa coming to shovel me out. He cut and edged my lawn when I was sick in greatly need of help. I enjoyed listening to him making beautiful sounds from various instructions. He always treated me kindly and had nice words to say to bring a smile to your face. Rest in Jesus's arms Dennis.

I just heard about his passing. I am very sorry for your loss Lisa and family. You are in my heart and prayers
