COVID 19 Precautions

During these uncertain and unprecedented times, we continue to follow all universal safety procedures and guidelines when caring for our families and their loved ones.

In consideration of the state mandate to limit gatherings to less than 50 people, the need may arise for us to dismiss some guests from visitation and limit guests in attendance for funeral services.

We ask all guests to adhere to the CDC recommendations when deciding to attend a funeral visitation or service.

Remember you can always leave a message for a family in the obituary section of our website.

“ I worked with Diana at Carson's for a long time. We worked alot of evenings together and spent alot of time talking about everything. She was so funny! She was so compassionate & sweet beyond words! Then I got to meet & work with her adorable, huge hearted, compassionate & funny sister Christina! We were all doubly blessed! Diana loved her family with her whole heart, which is a HUGE statement! This has happened too soon for such an incredible lady! My sincere condolences to your entire family! You have so many people that love you & are praying for you all! Blessings & hugs! Beth Stipek 🥹❤️

“ *Diana was always the most kind & compassionate person I had known. We worked together at Carson's and one time when I was on sick leave she came to my home unexpectedly to bring me some of her famous homemade cookies because she knew I liked them. I'm lucky to have met her & will truly miss her. It was an honor to be her friend. God Bless her family.*
