“ *I'm so sad to just now learn of Diane's passing. We were once co-workers at Kmart in the 90's, and worked in the same department for approximately 2-3yrs. She was a very patient, and kind person. We had a lot of great laughs working in ladieswear together. She spoke so highly of her husband Steve, and was so proud of her children Andrew, and Nicholas - I could tell her family was her TOP priority, and her world!!! Her enthusiasm for her children was evident in everyday conversations. I'm so shocked and saddened to hear of her passing.....She was a strong willed woman, and I hope her family carries the same strength in the days ahead.....and, takes comfort in the memories they have shared and made with her. My deepest sympathy to her husband, children, cousins (some of them I've known personally throughout my years at kmart), and immediate family members.....I'm so sorry, Nicole (Westergaard) Pendrak*

“ *My deepest sympathy goes out to Steve, Andrew, and Nicholas. Diane was such a wonderful friend to me during my days working at Kmart International Headquarters. The last time I saw Diane was August 31, 2001, and even though I had moved on in my career in the computer field. I never had forgotten Diane, and the kind of wonderful thoughtful person she was. It has been awhile, so you may not remember me, but I am sure you recall when she worked at Kmart for Jerry Bell, and Maria Matos. I can recall the day she brought in a birthday cake for my birthday from the department. It was the first time I had ever had a FedEx cake using cream cheese frosting. Since I was the clerk for her department, and dealt with FedEx or UPS a lot. Diane always had a smile on her face no matter what day it was or the time of the work day. She worked hard, and always managed to have a smile. She is with God feeling well rested and healthy. She will be dearly missed, and I pray God's love, and warmth comfort you.*

Our deepest sympathies to Steve, Andrew and Nicholas. Diane was such a gentle, kind, and softspoken person. She loved camping and especially when my husband, Carel would play his guitar while we sang campfire songs. She will truly be missed by her family and friends. She is with God now, most certainly. “ Dear family, I am sorry about the loss of your loved one Diane Iwankovitsch, and I want to extend my deepest sympathy. After the death of a loved one we sometimes wonder what will become of me now that they're gone. I have found comfort in Matthew 6:25-34, which tells us never, be anxious about the next day, for the next day will have its own anxieties. Please find comfort in these additional bible scriptures Luke 23:43 and John 5:28, 29.

“ Steve, Andy, and Nick,
What can I say that I have not said. Your wife and mother meant so much to me. She was always my cheerleader and support, when I needed it the most. I know she flew up to heaven on the wings of Jesus! How could she not when it was Good Friday! Right now this is the song that is helping me right now! I know she is up in heaven saying, "Don't worry about me!" All of the memories will allow us to carry on until we get to meet her again. She will never be forgotten.
