“ *She was a truly good person with a soft and caring heart. She was a positive inspiration to all that knew her. We laughed and shared stories often. To Sarah, she was her ride or die best friend. She will always be in our hearts and prayers and I know she will be a beautiful Guardian Angel and she will forever be with us.*

“ *Diane you have been a part of my life since you were three years old, you were more than a friend a daughter in my eyes. Through life we have been by each others side like Lucy and Ethel and sometimes like Bonnie and Clyde!
Life hasn't been easy for you , I know you are pain free now and have your wings fly high.
I will never ever know another person who has been as strong as you have .
I know you are with John, Betty and your Dad.
I love and miss you ❤️
Love , M*

Diane you were a warrior, with all your struggles you were always ready to help someone eles. I will miss your texts and listening to you and Maryann's conversations. I have known you since you were a little girl, and you were part of our family. We will miss you and love you and never forget you. I also know how much you loved Maryann, and I will never forget Betty's last words to Maryann "Please look out for my Diane" and I am so proud that she full filled that promise, because she truly thought of you as a daughter, and I know how you felt about her. We will miss you, Love A

“ Diane was one of the sweetest most genuine persons I know. She became a good friend while we were working at Mckesson together. Anytime I had an issue whether it was work or my health, she was right there encouraging me to keep pushing forward. Even when she was no longer at Mckesson, she would send an email asking how I was doing (I would do the same for her)!! Especially when I was going thru breast cancer treatments. She kept my spirits up even though she was going thru things herself. Thats why I loved her. She had a BIG HEART!!! Still can't believe this. You will be missed by all but your spirit will always be with us. Rest easy my friend.
