“ You are my dearest and wonderful friend. I’m gonna miss us having coffee on the porch, watching tv together and our talks. You were always there for me during the most difficult part of my life and having me come over to just cry and talk. You gave me confidence and told me what a wonderful and strong person I was and I had a heart of gold. I will miss you so much but you have no more pain and suffering. God received a new angel and an angel you were. Rest In Peace my friend. Someday we will meet again. Love always

“ *Delores was a friend of mine. I will miss her. I know many of her family and friends thought of her as Laurie but she was always Delores to me. Delores is a practical, sturdy "I am who I am" name and that is how I thought of her. She just "kept on keeping on" one foot in front of the other. Yes she could be warm and cuddly, silly and sassy but she always went right to the heart of the matter and nailed it. I did not know all of her children except through her eyes and through her eyes they were all beautiful and loved. Delores was a friend of mine*

“ Always always always put everyone else before herself. Family first. I am humbled by her pure selflessness, amazed at her strength to weather whatever life threw at her, devastated that this wonderful woman won't be just a phone call away for me. She was fiercely loved by all of us.

*We are so very sorry for your loss, this is the hardest thing ever. Dolores was a kind soul who loved her kids and family very much. She was a wonderful mother to all five kids and a awesome grandmother to the grand kids. She never asked for much she was easy to get along with and many loved her. May she rest in peace with the love of God. The Ventimiglio Family*

*To my life long friend. My heart aches as I write this. You were a devoted Wife, Mother, Grandmother, Daughter, Sister and Friend. Loving people as they were, never judging them. I will miss your laughter, your sincere concern for everyone. Your joy when talking about your family, and of course, winning at Keno. No more pain, no more worries, Rest in peace in the hands of God. No one deserves it more. Love Always, Joe & Pat Sind*

*Happy that you are pain free but I miss you so much. So many memories which some day I will be able to smile about. But now it hurts so much. Going shopping, drinking coffee, watching game shows and hallmark movies, dentures(lol), ...and so many more. You were the strongest person I have known. A heart of gold and putting others before yourself. Even couple weeks ago, you laying in bed and asking me if I wanted coffee, Gary a pop, telling me to sit down so my knees wouldn't hurt.. Worried about having M&M's for your buddy. We have had some good laughs, good cries, and I thank you for being a part of my life.*

*Love Diana, your favorite sweet pea!*
