

Dolores "Dee" Ann Ryzok

December 26, 1939 - November 30, 2014

Age 74.

Dolores was born and brought joy to this world and to her parents Alex and Ann Wargo in Uniontown, PA. She was one of five children born in their family. Her siblings include Jack, Don, Irene "Tootsie" and Bob. Sister-in-law by marriage, but sister-in-heart to Sheila Wargo.

In July of 1958, Dolores began a fifty four year journey with the love of her life Robert "Dick" C. Ryzok Sr. So inseparable, it is hard to talk about her life without including him. Dee followed Dick from Uniontown to Detroit and was the most devoted wife a man ever had. In 1960 Dee was happy to become the mother of her only child, Robert C. Ryzok Jr.

Dear cousin to Donald and George Flutuer and Laraine Michael.

Dear friend of Helene Hindy.

Loving mother-in-law to Ann Annunziate.

Cherished aunt to numerous nieces and nephews.

Dee had a great love for her family and viewed her greatest honor to be a wife

and mother. She enjoyed cooking, ironing and spending time with her family. She loved her family deeply and while she was small in stature she was the source of tremendous strength to her husband and son.

Her character was marked by thoughtfulness, compassion and generosity. She conducted herself with dignity and grace, but she also laughed easily and never met a slot machine she couldn't resist. Dee faced each challenge life presented with determination, dignity and honor.

On November 30, 2014 she went home to heaven where her joy was made complete. She will be missed and we will cherish our time with her and the memories we shared.

In lieu of flowers, family suggests donations to the Michigan Animal Rescue League or Sunrise Assisted Living in Rochester, MI.

“ It’s very hard to watch a love one die and not be able to do anything about it. There is someone who can, so the question is can we really believe the resurrection promise? Yes, there is no doubt that Jehovah and his Son are both willing and able to fulfill it. What does this mean for you? You have the prospect of being reunited with dead loved ones right here on earth but under very different conditions! Here the original-language word that is rendered “you will have a yearning” denotes God’s earnest longing and desire. (Genesis 31:30; Psalm 84:2) Clearly, Jehovah must keenly anticipate the resurrection.

Bob, our sincere condolences on the loss of your mom. Your mom and dad stood up in our wedding in 1968.. Sorry we lived so far away and didn't get to see your mom and dad very often since moving to Washington State in 1974.

I have fond memories of your mom and dad way back when they dated. My family,(the Urish side) would see them on our visits to the relatives in Pennsylvania. They were such a "cute" couple and always remained devoted to each other.

Our prayers are with you during this time of loss.
