“ *My sweet summer neighbor on Lake Avalon, I will miss seeing you out on your walks and our quick but fun conversations about Ireland MSU and your family. I know you are snuggled up with your sweet faithful furry Kelly now, and I'll always have a milkbone waiting in her honor for other good dogs coming by. David, my deepest sympathy. “ When I started at Fitzgerald High School in 1986, Dodie and Al Drath were legends. Both were the epitome of what it meant to be exemplary educators. There are not enough words in my vocabulary to describe what nice people, and what fantastic teachers, they both were. Dodie was kind, funny, professional, loving, caring, energetic and delightfully amazing. Especially her students, but also her fellow teachers revered her. She made teaching something you could be proud to do. They both made the world we live in, simply a better place to be.

It brings tears to my eyes to hear of her passing. Truly if ever there was an angel on earth, who has found her way home, it is Dodie Drath. God Bless her family and friends, who I know will find a huge hole in the universe with her passing. I am however, so happy that she is reunited with Al in heaven. They were a couple who it seemed were always meant to be together. What wonderful examples of goodness on earth they both were. Phil Holm, Fitzgerald High School

“ Mrs. Drath was the beautiful example of the ultimate loving mother and wife. The entire Drath family was always so kind and sweet to me and always encouraged me to reach for my dreams of going to college and law school. I owe so much to the Drath family. It was obvious to all that Mrs. Drath was the constant, quiet, sweet force of love and positive leadership in the Drath home. She certainly had a way of bringing out the sweetness and very best in everyone!! Does anyone doubt that Mr. Drath was a more kind and caring coach and teacher because of Mrs. D's loving touch? Each of her kids are known by all to be sweet and kind because of her loving influence. (Even her dog, Buffy, was sweetest Lab because her tenderhearted nature.) Thank you for your sweet kindness Mrs. Drath - The world is a sweeter, better place because of you.
With so much love, Michele Addington Ratcliffe

“ *Mrs. Drath was an inspiration to all. She touched so many lives throughout her years. She was an angel who was put here on earth to make it a better place. Anyone who knew her or met her was a better person for it. Thank you Mrs. Drath for all you did. Now you are rejoined with Mr Drath. God Bless.*

“ So very sorry to hear about Mrs. Drath's passing. She and her husband were very good friends and neighbors to my inlaws, and "Dodie and Al" were fine people, she will be greatly missed. Craig has very fond memories of her, as do I. Love and prayers for her children. Marie and Craig Lorincz

“ I met Dodie seven years ago when I bought the house next to hers. As I was unpacking my car she was driving by and introduced herself and welcomed me to the neighborhood. I thought how nice that was of her. She turned out to be the best neighbor/friend I could ever ask for. I will miss our talks over the fence, her kindness and her sense of humor. I truly loved her and everything about her, she will be missed!
