“ *I had the pleasure of taking care of Dolores while she was at Sanctuary at the Abbey. Delores was such a wonderful soul. From the moment she was admitted to my care I knew she was special. She always had a smile on her face. I had the pleasure to be her nurse in her final hours of life, I played Christian music for her and myself and the 3 Nursing assistants took turns sitting with her, holding her hand and talking to her. When I left that night I gave Delores a hug and told her that it was my pleasure to take care of her, and that I was glad that God allowed me to be with her during her final days and hours of life. My prayers of support are with her family as they mourn the loss of Delores.*

“ *Sorry for your loss, but hope you find comfort in knowing that the bible calls Jehovah God the source of life. The one who gave life to all living creatures is certainly capable of restoring life to someone who has died.?*
