*I'm sorry to hear your mother passed away. It was so hard when mum and dad passed, after watching them suffer for so long I found peace in knowing they were no longer in pain - I hope you can do the same. I know this is hard on you as I'm assuming you have been doing most of the planning as did I. Things will get better and memories of your mother in good times will help you through this. Take care of yourself.
