“ *It's hard to watch a love one die and not be able to do anything about it. There is someone who can, so the question is can we really believe the resurrection promise? Yes, there is no doubt that Jehovah and his Son are both willing and able to fulfill it. What does this mean for you? You have the prospect of being reunited with dead loved ones right here on earth but under very different conditions! Here the original-language word that is rendered “you will have a yearning” denotes God’s earnest longing and desire. (Genesis 31:30; Psalm 84:2) Clearly, Jehovah must keenly anticipate the resurrection.*
