“ Don was a Pillar of the Community and will surely be missed by all who knew him. At an early age, Don served his Country with the U.S. Army in the Korean War and was the recipient of the Combat Infantryman's Badge. The Combat Infantryman's badge was an award carrying great prestige which the late General Eisenhower was said to have coveted. After his Military Service, Don returned to Hamtramck and became a successful Businessman. Don was proud of his Polish Heritage and was a member of many Veterans Groups, specifically the Veterans of Foreign Wars, the American Legion and AMVETS where he served in many leadership positions. Don was so beloved by his fellow Vets that he was voted as the State Commander of AMVETS in Michigan. Over the years, he participated with Veterans groups during numerous parades over the years. Don was a caring soul who looked out for the welfare of his fellow Vets and others in the community. Further he was instrumental in the development greater Recreational Opportunities for Veterans and their families. Most notably Don organized and led other Vet's in building additional cottages on the AMVETS property on Houghton Lake.

Don was a good family man who was married to his wife Florence for over 50 years and had four Sons, Seven Grandchildren and Three Great Grandchildren. His had a strong interest in collecting classic cars. Anyone who knew Don, knew that he was an uplifting soul to be around, willing to tell a joke and almost always had a smile on his face.
