“ Back in the 80's, my husband and I were starting our new lives together. We met Don and Marcia at church. We had never met anyone like them before. They loved the Lord and honored Him with their lives.

Don was on fire for Christ. He was vibrant, excited, loving, tender and compassionate. He spoke the word of God freely and joyfully! His smile was contagious. He took us under his wing and nurtured our spiritual lives with truth and wisdom. We met on a regular basis. One night before Howard went in for a heart procedure he came over. As much as we tried to hide our fear, he seemed to know exactly what we were feeling and exactly what we needed. By the time he left, we were at total peace and had released ourselves and the future into the Lords hands. This made an impact on every situation we have faced sence.

Later, when the effects of his illness were becoming apparent, and he could

no longer speak scripture or find verses, he would still speak in tongues. What a beautiful sound.

Don was and remains our mentor, our friend and our brother. We rejoice over the life that he lead, what he gave of himself, what he shared and for answering the call of Christ. Well done good and faithful servant. We will always love you and hold you deep within our hearts. We will honor your memory with the lessons you've taught. We that God for placing you in our lives, the gifts you gave and the difference you made. We love you Don and We will see you soon. Debra and Howard Cichoski
