“ There is so much I want to say and so much I wish I could have told you...my only hope is that you truly knew how much I looked up to you and adored you. My heart is literally shattered to pieces, but I know the amazing memories I have of you will slowly mend my heart back together again. I will never forget your words of wisdom, your musical playlists that somehow always contained the right song at the right moment (stoja!), our dance sessions, the hardest laughter I've ever experienced ("you aRRRRRe"), your hilarious jokes, your bright smile, your artistry in everything that you touched, your spontaneity and your thirst for life! You were my 2nd mom and my best friend, how lucky was I to have both qualities in one person?! You were the most loving and generous mother Angie and Martin could ever wish for! I know you hated to see me cry and I am trying to be strong because I wouldnt want to disappoint you, but I am in such despair without you...we all are! I will forever and always love you, grow from the lessons on life that you taught me, and carry on your legacy until I see you again. Thank you for loving me like your own. I LOVE YOU TETA DONKA
