“ *Randy, Aunt Norma, Elaine and Carol-Our love and prayers are with you during this difficult time. Donna loved everybody and was loved by everybody. Just know that she is in a better place now, holding Ronda, and sitting with Dwaine and Uncle Lloyd. She was an angel on earth and now she is an angel in heaven. We love you all and pray that God will give you peace.*

“ Mrs. Atkins, Randy, Elaine and Dan:

I got received a phone call from my daughter Amy with the sad news about the loss of your beloved Donna. It has been ages since we have seen each other but I have thought about you from time to time and wondered how you were. When Don and I lost Shaunda we allowed our grief to separate us from God and those we cared about, It is my prayer that this loss draws you closer to God and each other as I have found that time does heal and drawing closer to God rather than shutting him out is much more healing. My thoughts and prayers are with you. May God richly bless you and yours. Love always, Ashleigh (June)

“ Doona - I love you like a sister. Now we all have a special angel looking down over us. I hope you are at peace and with your sweet baby. I feel so lucky to have had the chance to meet you, what an inspiration. I will miss you and your jokes! You always could find the humor in a situation. Randy, thinking of you, take care of yourself.

“ I personally thank God for the time I did get to know Donna. I loved her as an online sister and she was always a voice of truth and light. It is good to know that she is now with her sweet little girl and can be the mom she always wanted to be in heaven. She will continue to live in my heart and thoughts. May God bless you, Randy, in this terrible loss, and give you comfort in knowing she loved you more than anything else on this earth and will still always be around you until the end of time.

“ Although I "only" knew Donna as an email friend, she was one of the best. As I travelled the difficult road of trying to find happiness without being able to have children, Donna was a huge help. Her own story, her sweet ways, and her humour were all so appreciated by everyone in our internet groups. She will always be missed. Thanks so much for being a friend Donna, and condolences to Randy and her whole family.

“ May God hold you in the palm of his hand during your time of sorrow. Know that Donna is at peace, no longer in pain, and skipping around heaven with Ronda at her side. I will always cherish the memories of that weekend trip Julz, Julia, and I took to Michigan to visit Donna. My prayers are with you Randy and Donna's family.
