“ I have only know Donna since Joan and I were married in 2001 and have enjoyed the times I have been with her and in phone conversations. Always loved to see the great friendship between Donna and Joan when they were together. Rest In Peace, Donna in you new home, your Heavenly Home.

The Broken Chain:

We little knew that day God was going to call your name. In life we loved you dearly, in death we do the same, It broke our heart to lose you, you did not go alone, for part of us went with you, the day God called you home. You left us perfect memories, your love is still our guise, and though we cannot see you, you will always be by our side, The Family & Friend chain is broken and nothing seems the same, but as God calls us one by one the Chain will link again.

“ I am writing this with great sadness in my heart for a dear friend of 51 years Donna. Donna and I met in 1963 in Lawton, Oklahoma while working at Phillip's Aubrey Chevrolet Dealership as bookkeepers. We instantly became good friends and have continued to see each other and keep in touch even though Donna lived in Michigan and I in Florida after our husbands returned to civilian life after serving in the US Army at Ft. Sill in 1965. Donna and I had some great girly vacations together cruising the caribbean waters and visiting each other's homes with the families over the years. I will despartly miss our often long talks by phone, catching up with each other. Rest, my friend, I will always remember and love you, Joan
