

Doreen Schrieber

July 22, 1958 - December 10, 2021

Age 63. Passed away Dec. 10th at her home surrounded by family and close friends after a year-long battle with Stage 4 Pancreatic Cancer.

Preceded in death by her parents, Raymond and Dolores Schrieber, her brother, Timothy Schrieber, her husband, Paul House and her brother-in-law, John Spurgeon. Beloved sister of her twin, Deborah Spurgeon and her brother, Terence Schrieber. Cherished mother to Randi Schrieber (Toby) and grandmother to Briar Barclay. Dear aunt to her nephew, Jeremiah Spurgeon.

Doreen was a hard worker who retired from Chrysler in 2016 after 30 years on the line. In her retirement she loved spending time with her family and her friends. She doted on her granddaughter, Briar and was frequently at her daughter Randi and honorary son-in-law, Toby's house or cottage. In her later years she loved riding on the pontoon boat and even learned to fish! Many Sundays were spent with her Center Line Breakfast Club which consisted of friends she and Debbie have had since high school. She also loved going to Bingo where she met many close friends and the Casino where she mastered the five-hand poker slot machine. At home she enjoyed spending time with her twin and her nephew watching singing competition shows, Alaskan shows and cooking shows.

Special thanks to Hospice of Michigan, Shepherd Care Services, and a family

friend for helping to take care of her in her final weeks and allowing her to pass with dignity and grace.

Visitation will be held at the Sterling Heights chapel of Mandziuk & Son Funeral Directors (NW corner of 18 & Ryan) on Tuesday, Dec. 14, 2021 from 3pm-8pm with a Rosary at 7pm. She will lie in state at the same location on Wednesday, Dec. 15, 2021 at 9:30am with a funeral service at 10am. Interment will take place at Resurrection Cemetery after the luncheon. In lieu of flowers donations to the family would be appreciated.

“ *Randi, Debbie, and Terry, I'm so sorry for your loss and I'm so sorry we could not be there today to attend the funeral service. Please know you are in our thoughts and prayers. I have so many memories of your family growing up. I remember swimming in Aunt Delores' pool, I remember riding on the handle bars of the twin's bikes, I remember Tuffy, and I remember spending time with everyone at the holidays. I will miss Dori's laugh. Her and Debbie always had smiles on their faces. Please know we are praying for Dori and the rest of your family. Love, Kelly (Folcik) & Jim Gouin*

“*Randi, Debbie and the entire family and many friends of Doreen.... My heart is heavy with sadness and aches for your loss. I am so very sorry to hear of Doreen's passing. We all share in your grief. I became friends with Doreen and Debbie while working at Chrysler, Sterling Heights Assembly. There was never a dull moment with those two around. They made unbearable days, bearable. It was always an adventure while working in Quality together. I had the great pleasure to spend time with Doreen outside of work on many occasions. Spending time just hanging out or rides to work when her car was out of commission, or even when her furnace was on the fritz and I offered to help. She was always so thankful and giving. She was there for me too, so many times, lending an ear when I had a problem or a long story to share, she never hesitated to be there. She had a kind heart, at times she was a rough character, watch out, but at times, her roughness was just what we needed while at work. She didn't put up with anyone's crap, told it like it was, true to herself and others. I loved this about her. She stood up for what she believed in and would go to bat for others, because she cared that much. She will be missed, no doubt of that. I believe in Heaven above and our Father God, I believe that she did not travel alone to the vast unknown, that God was with her, guiding her home to then, be greeted by family and friends who traveled before her to Gods everlasting glorious kingdom, where only love is resides, where there is no pain. Her spirit is alive and well as she begins her new journey as an angel to keep a watchful eye on you, for this I believe, until we meet again. I send love to each of you and pray my written words from my heart bring some comfort to you during this most difficult time. We shall keep Doreen close in heart, for nothing can part that which has become part of the heart. XO*
