“ Sam, Jimmy and Travis ... we are so sorry about moms passing! Through her we got to spend time and watch you all grow! attending Sams graduation and watching her career take off and find a husband... Jimmy being a very busy teen to a man with a job supporting himself and his many adventures... Travis you were like my own in so many ways the pics of you and Daniel through the years... at the spray park, nerf guns, on the roof, scouting events... love you all with all my heart... we are always here for all three of you! Always know your mom is still with you and watching over you all.
