“ *Dearest family, although we cannot be with you during this time of mourning, please know you are in all our thoughts & prayers. We feel extraordinarily blessed to have had her in our lives for such a long time. She joins a cloud of witnesses testifying how to live a rich, full, abundant life. Aunt Doris touched so many & are our lives are full of precious memories. May they give you comfort in the coming days.*

“ *I had a hard time finding the right spot here, since I couldn't remember Doris's name, to me growing up she was just Gramma. She always welcomed us and gave us a place to play and work on our cars as we grew up. Lot's of happy memories. My condolences to the family. I know Gramma will be missed.*

“*Dear Schovon family, it saddens me to know that your dear loved one has fallen asleep in death. But you can take comfort in knowing that is how God views death, as sleeping. Just as easy it is to wake someone from sleeping; that is exactly what the bible promises will take place to wake our loved ones from sleeping in death. (Luke 8:51-54) It will not be long before you will see the truthfulness of those words. Please allow that hope to bring you comfort as you await the fulfillment of those promises and when the last enemy death is brought to nothing. (1 Corinthians 15:26)*

“*Doris was a beautiful soul, inside and out, who will truly be missed. She was one-of-a-kind, and I will always remember her love of cats and sweets and the way she could recount every memory from the 1920s and 30s. Rest in peace, Sweet Doris.*
