“ *Dear Karen, Bruce, Tom and John and all members of Dorothy's wonderful family!*

We were shocked when we heard what had happened...I wish I could have met Dorothy in person- she always asked about us and wanted to know if we were ok. I remember how many times you, Karen, sent special regards from your mother to us, how many times you wrote kindly about her as a sun in your family, how many times you told me about being in her house and having great time. I and my family are unbelievably sorry about Dorothy's leaving. She greatly helped to establish and build up our relationship and will stay in our hearts and minds forever.

Your Slovak family is with you at this difficult time. I want you to know that we share the sorrow with you and will keep you and Dorothy in our prayers.

With my deepest sympathy, Mirka

“ I know Aunt Dorothy had a wonderful life surrounded by the people she loved and the people that loved her. She was honestly such a role model to me growing up. She never had an unkind word to say about anybody and always just enjoyed the company of her family. I never felt as welcome anywhere as I did at her house, which was where I spent many weekends growing up. I still remember the weekend she taught me to make her special lasagna, every time I make it I think of her. I am sure it wasn't the recipe that mattered so much but how she spent the whole afternoon with me in the kitchen talking of this and that. She would always say when we left "come back soon! Don't wait so long to see us!" She will be missed dearly. I hope when she gets to Heaven she gives my dad (her brother) a great big hug for me!!!!

Many Blessings to you Judi, Karen, Ronald and Sandy! You are in our prayers!

“ Dear Karen,

I was so sorry to hear about your mother. I remember seeing her at the Grand Reopening in October and she was so proud of you and all you have accomplished. I know she had a good life surrounded by a loving family. That's the best anyone can ask for in life. My thoughts are with you, Bruce, John, Tom, and the rest your family.
