“ *Mother's Day is in two days you taught me so many things during the years we shared. you didn't teach me how to stop missing you. You did teach me about forgiveness and thats working well for me it's helping hold my family together when I can tell them things about you and how you would want us to act. Love and miss you Mom Hope everything is just like we learned it would be. I miss you so much We will be together again some day.Love me*

“ You taught me how to love, you taught me how to trust, you taught me how to believe. The only thing you didn't teach me was how to live without you RIP Mom I love you.
