“ *Many years ago I was a student Of Miss MacDonald's at St. Francis de Sales school in Detroit. She was kind and caring. I was not a good student and her encouragement was most useful to me as I struggled with all the conflicts of adolescence. I have always remembered her with great fondness. Recently I inquired about her from a friend (Sr. Leona) whom I visit at the IHM motherhouse. I am sorry for your families loss and cherish her kindness to me.*
