On Monday, September 26, 2022, Dorothy Orlosky, a beloved Mother of Ryan Orlosky, Mother-in law of Jessica Orlosky, Grandmother of John Paul and Maria, Aunt of Debbie Kendrick, and Great-Aunt of Jonathan and Kristen, wife of the late Steve, and sister of the late Marlene, passed away at 87 years old.

Dorothy was a bookkeeper for many parishes in the Arch Diocese of Detroit. There she served many bishops and priests who were grateful for her generous and fun spirit, faithfulness, and unwavering dedication. She was a world traveler, who would take many trips with her husband and son especially to Rome, Italy to meet Pope Saint John Paul II. She loved the sport of golf, bowling, and cross country skiing. She even took flying lessons and loved adventure. She had a very good wit and enjoyed fine dining and her beer. She was a faithful Catholic and with a generous spirit would help many in her lifetime. She loved her family and friends especially her son Ryan's Godparents and family who meant the world to her.

Dorothy will be remembered by her smile which always lit up the whole room. May she rest in heavenly peace.

“ *My aunt Dorothy was such a fun person. Her sense of humor was very dry and absolutely hilarious. I always laughed when I was with her. I thought I knew her pretty well but FLYING lessons? Now that's something I never knew. It doesn't surprise me though. She had many interests and hobbies. One thing I always remembered that she told me was: "Don't accumulate "stuff". Spend your money on travel". I took those words to heart. My husband and I have have traveled to some amazing places and I always think of her sharing that bit of wisdom with me.*
