“ *I knew Doug by being a boat neighbor at Michigan Harbor. I will always remember Doug and Props. When I would come in from my charter, Props was always there with her head sticking out of the hatch on the bow of Doug's boat. I would go over and give her the day's leftovers of coldcut sandwiches that didn't get consumed that day on the lake. Props would always watch out for me coming in and couldn't wait for me to get over to see her. One day I told Doug about what I was doing, and he reasoned out, "that must be why she takes so long in the morning to do her business"! We both just laughed about it, and he said, "if Props liked the sandwiches, then keep them coming to her". Little did Props and Doug know that I looked for them all the time. They were loyal friends that will be missed but not forgotten about the fun times we had in Michigan Harbor. My God bless and bring comfort to your family and loved ones.*

“ Dougie was a great great guy. Many fond memories . . . and memories of laughing at the crazy times we had. I remember docking next to him at Frost Bite. Still can't figure out how on earth he ever got Props up on that flybridge with him! I'm very sorry for everyone's loss, the family and all his close friends at JYC. May you all be comforted somehow knowing that your pain and loss is shared by many.

“ Words cannot even to begin to express how I feel right now. Doug was such a good friend, passionate soul, and one of a kind. So many of my memories throughout my 20's involve Captain Ouzo. From him always quoting Go Leaf's Go!! to us dancing at Jack 's to Twin Towers and Novutae, to always spending our weekends hanging out at the boat or his house, to meeting up at Gull Island most Sundays, meeting up at Halmich Park to play some "shinny," to the out of town hockey trips, and of course him bring part of our wedding, he always made it memorable and fun. God has gained a wonderful angel in him. I know he's looking down on us as we go through this unbearable time.

“ *My sincere condolences to Dougies Family, please know how LOVED Dougie was by ALL. He was one of the nicest human beings I ever met... “ To the Roback family: Words can't express how sorry I am for your loss. I just wanted to take a minute and tell you what Doug meant to me as a childhood friend. Although, I have not seen Doug in a long time the memories of us as kids are still with me. Thinking of Doug takes me back to a time of less pressure and stress when a lot of things were new and as boys we could not get into enough trouble or have enough fun. I don't think I would have grown up to be the same teenager if it was not for Doug (and Tommy V). Doug (aka Mr. Hockey to me) was a good friend. Watching Hockey Night in Canada, playing hockey for SCS, the Toronto Maple Leafs, Petr Klima, Alan Bester, collecting and trading hockey cards, street hockey, and the Red Wings, all remind me of Doug even to this day. Mr. Roback and Doug even took me to my first Red Wing game. Faygo Pop, fireworks, talking on the CB radio, camping on the driveway, jumping on the trampoline, swimming in the pool, and Young's Nursery are just some of memories I have kept with me over the years. I will miss Doug, and will always remember all of our good times. RIP Doug and God Bless the Roback family.

“ Even though it has been years since I have really spent time with Doug, I did run into him here at work and was so happy to see him and his great smile. So many happy memories and funny stories from the high school years. Doug was always willing to listen and always quick with a joke or comment to make everyone laugh. Doug will never be forgotten, I am honored that I got the chance to know him, RIP Doug and my condolences to his family and friends.

“ *My sincere regrets to Jim, Cindy and the family. I will never forget being in St. Louis to watch the Red Wings play the Blues, and from the Mens room I hear a familiar GO LEAFS GO. Out walks Dougie in a Maple Leaf Jersey. At a Wings/Blues game. Only Dougie being Dougie. He will be deeply missed. One more time buddy. GO LEAFS GO!!!!*

“ *You will embark on a fair sea,
and at times there will be fair weather, but not always.
You will meet storms and overcome them.
You will take it in turns to steer your boat through fair weather and
foul. Never lose courage.
Save harbour awaits you...in the end.*

- Daphne Du Maurer

Dougie was a wonderful person who always had a bright smile and a twinkle in his eye. He will be missed by many and the JYC will never be the same. The passing of Dougie has left a huge void in my heart and the hearts of everyone that knew and loved him. My sincerest condolence to Jim, Cindy and family.

“ I feel truly blessed and honored to have Dougie as a part of my family. He was known as our brother, an uncle to my kids, a life long friend. His heart was filled with pride, laughter and love. Rest in peace our loyal friend! We love you Dougie.

“ I've been talking with lots of friends about Dougie, and so many have said the same thing -- how special Dougie made them feel with their own little inside joke, personal saying or special nickname (nobody will ever call me Sapphire again the way Dougie did). It takes a very special person to mean that much to so many. Whenever I need something to make me smile, I'll remember the sight of him and Props arriving at a marina, both up on the flybridge of Young & Sexy, or him dancing to the Black Eyed Peas Bumps song, or the visits from Santa at our Christmas parties, and many other great memories of Dougie. God Bless You Jim, Cindy and family.

“ There isnt enough time, space or words to describe what Dougie meant to me and my family. From the first time i met him as my customer at The JYC to the last time i saw him as my brother at my Bday party, I was sucked in to his friendship. From the many nights talking and joking to the many days of breakfast and reading the paper, You filled my heart with humor and love. When i moved to georgia, you called me every week(which is amazing since u didnt have a cell lol) for 4 years straight. At some point you stopped being my friend and became my brother. I love you and will miss you dearly. My prayers go out to your family on this unexpected turn in life. May you float forever on the waves of heaven.

“ Farewell my friend you're leaving
It's time for you to go
Your friendship was a blessing
And I will miss you so
We shared so many secrets
You brightened up my days
You brought me so much happiness
With your kind and loving ways
You lifted up my spirits
When I was feeling blue
No matter what was happening
You knew just what to do
We ran between the raindrops
And walked beneath the sun
Ran barefoot in the summertime
And oh, we had such fun
God is here to take you home
Now you and I must part
I love you and forever
You will live within my heart.

“*Dougie was a wonderful friend of ours for many years. We will miss our dear friend, his terrific sense of humor and contagious laugh.*

Our 6 year old daughter visited "Santa" every year at Young's and knew she was seeing the real Santa because he knew her name, her age and her mom & dad. Nothing excited her more than the night in December we went to visit "Santa" at the Christmas store. The pictures of Santa Dougie and our daughter are memories we cherish forever.

May God watch over you and your family and bless you. All are in our prayers.
