“ I had the pleasure of working with Doyoun Choo "Choo" at Comerica Bank for many years. He was a kind and thoughtful man. My heartfelt sympathy to his family.

Choo 선생님 was a kind and caring man. Never heard him speak ill about anyone. We enjoyed simple pleasures together at work and when traveling. We built a business together for Comerica and relished punching above our weight as a competitor in the market. We remained friends throughout and after working careers. We always had good conversations and enjoyed our times together. RIP.

Choo brought so very much to those who had the good fortune to be a part of his esteemed life. His dedication to all he did whether professionally or personally was unsurpassed. Comerica's International Department has been gifted with his wonderful legacy of building an enduring Korean business across the US of which we are forever grateful. He instilled our shared love of Korea and remains one of the most gifted International bankers of our era. He was the kindest of professionals, family man and friend and will be much missed. Blessings to his family for all. Laura Wrocklage

Being able to call myself as someone who was a colleague of Mr. Choo is truly an honor. I was blessed to learn from him, and enjoyed working with him. He was truly respected and loved by all of us who worked with him. May he rest in peace.
