“ *Although I'm not acquainted with your family I'd like to extend my deepest sympathy for your loss of loved one Duane Alling in 2009. People don't realize that as time elapses the pain still is felt from a loss. It is my hope that your family can take comfort in learning that Jesus Christ, through God's Kingdom will soon do away with death forever. God will actually swallow up death forever, and the Sovereign Lord Jehovah will certainly wipe the tears from all faces.??Isaiah 25:8. We also have a loving hope to see our dead loved ones again, (Acts 24:15) and I have hope toward God, which hope these [men] themselves also entertain, that there is going to be a resurrection of both the righteous and the unrighteous." Lastly a loving God would never take someone from people that love them.?With evil things God cannot be tried nor does he himself try anyone.? (James 1:13). These thoughts have comforted me during loss and I hope it helps your family too*

“ Dear Marie,

I was so sorry to hear of your husband's passing. Please know you are in my prayers and thoughts. I always enjoyed working with you. We spend our summers in Clare, MI. and will be heading back to Florida next week.

God Bless you and your family,

Barbara Davis

“ Dear Marie,
I was very much saddened to hear of Duane's death. It's been a couple of years since last we had lunch but he was happy and in very good health.

Always a classy guy, Duane never hesitated to tell you when something needed correcting. He provided enormous help to GM Safety and the fledgling Engineering for H&S activity that was created in the mid 90s.

Due to a conflict, I will be unable to attend visitation or the funeral. Know that I have you and the family in my prayers.

Please accept my deep sympathy and condolences.

“ Dear Marie,
I was very sorry to hear of Duane's passing. We had many good days working together at the ergonomics lab. I'm sorry that I will not be able to make the visitation, but will be keeping you and your family in my thoughts and prayers.

Sincerely,
Ed Mohr
