“ Wow, uncle Wayne I wasn't ready for this, but I know you're in a better place.

I just remember as a kid I used to love coming to your house to the banging parties. And still as an adult, to listen to your jokes and have small talks with you. Uncle Wayne, you kept a smile on your face. I would be so happy to see you because you made me smile and laugh.

I will miss our talks, even though they were small. I will miss your beautiful smile. Seeing your face made me happy and kept me smiling. You will be missed but never forgotten. Rest peacefully in heaven. Love you so much 🙏🧠💔❤️
