June 24, 1930 - August 16, 2022

Edith Rea

Born June 24, 1930

Called to Heaven August 16, 2022

92 years old

Beloved wife of Tony Rea Sr. Loving mother of Angela, Donna (John), the late Dominic, Tony (Terese), Nina (Graham), Dino (Fran), Nino, Angelo (Michael), Elena (Mike), Diana (Kirk), Gino (Shannon), and Mario (Amy).

Dearest Nana of Anthony (Natalie), Jay, Ross (Antonietta), Maria (Chris), Chris (Megan), Pete (Rachel), Andrew (Sarah), Tony, Lauren (Brian), Johnny, Michael, Francesca, Dominic, Angelina, Dillon and Zachary.

Loving Great Nana to Gianna, Audriana, Gabriella, Charlotte, Cora, Giovanni, Brenden, Noah, Jane, Jack, and the late Anthony Nathaniel.

Edith Rea was born on June 24, 1930 to Emilio and Rose Sdao. She was the sixth of seven siblings with one surviving sibling, Rosalie Arion.

Edith spent her entire life devoted to her family, was adored by her husband and 12 children, and loved by all her friends and neighbors. She was a loving wife, mother, and grandmother, truly selfless, always placing God and others first, saw only the good, and welcomed everyone with open arms.

Edith was a very faithful woman who taught her faith and led her life by example. She was a strong supporter of St. Jude Children's Hospital, Miraculous Medal, EWTN and attended church daily. Edith was a proud member of the St. Cletus/Our Lady of Grace Altar Society and a rosary maker

“ ..just listened to Fr. Mike Schmidt as he talked about how the Saints in heaven (those people on earth who have passed away) are continually interceding on our behalf, and he quoted St. Dominic, who said: “do not weep for I shall be more useful to you after my death, and I shall help you then more effectively than during my life.” ...which brought a bit of comfort mom, since I know you are now continually interceding for all of us, which I know is of tremendous help to us as I remember how greatly you helped us while you were here on earth with us. Love you mom .

What I would give to see you again, or to get a hug or a kiss from you, or to sit again on the porch with you. The hurt continues. The pain hasnt lessened. My heart is still broken. You were the heart and the glue for our family. If only we could turn back time. We love and miss you tremendously. With love forever, from your son ❤️.

I can’t remember one time when you were sick, or one time where you took some time for yourself when you had to be feeling under the weather at times. I will never be able to comprehend how you did that but I am forever grateful of that and for everything you did for us, and most especially, for God giving you to me as my mother. Love you. “ I miss you so much mom ❤️❤️ I have so much to tell you... to share with you. I know you're near though...like finding the tissues you left in the pocket of the jacket I'm now wearing....and in seeing the cardinal that's been in my back yard. You're in my heart every day. I never knew how much this would hurt. I love you mom ❤️❤️

I am sorry to hear about the passing of your mom.
She was a kind, caring and loving person to all who met her. I loved
the day I called her "Dino's mom" and she told me her name was

She loved her family and so sorry for your loss of this wonderful

“ It's been a week now mom since you left us. I can't tell you the void I feel. I catch myself thinking..."I have to tell this to mom." It hurts so deeply.
BUT...I am so forever grateful for the way you raised us. The love you had in your heart for all 12 of us....and then the grand kids.
In the last months, when we stayed with you and I would bring my overnight bag and I would tell you..."I'm moving in mom!" ...and you would tell me with that huge smile on your face..."Yes, come on...I'd love that!" I wish I could hear that again. I wish I could get another hug and kiss in. I wish so many things. You will FOREVER be in my heart mom! I MISS YOU MOM!!!

“ To all the Rea Children and their Families- I am so sorry for the passing of your Mom, my Dear Friend Edith. With the St. Cletus Altar Society, we were making Rosaries together, or preparing food together in my kitchen for luncheons when it was our turn. She said she was going to have one of her Daughters bring her to come visit me a couple years ago but I had to cancel because I just had surgery and wasn't feeling well. I feel so bad I never got to see her after though. My Daughter Diann is writing this for me as I don't have a computer, she just read all the memories shared below and said we sound like twins. Same exact hobbies as well as cooking. Sincerely and with much Love to all of you, Welda Gilbert

“ HOW DO I SAY GOODBYE MOM?.....

Looking back on my life...I see the love you had for dad...for me and for all us children.

I see the sacrifices you made that I couldn't really understand until I had my own children.

How many times you went without what you wanted only to be able to give us something.

All your selflessness to make us happy ...

The many sleepless nights I saw as you held one of my younger brother or sister who was sick...and then continue to do a days work of cooking and cleaning without sleep.

How many times did I call you for advice or a problem I was having only to hear you say...it will be alright, we will work it out. Never condemning but always encouraging.

YOU WERE SO SMART MOM!

I have so many wonderful memories of spending time with you... laughing or crying over something that happened.

I will never forget these times mom.

Memories of

The love I felt even though I didn't deserve it.

The times I made you say DONNA ANN.. (I knew I was in trouble)

Following you around in the kitchen being so close to you to learn how to cook and when you would turn around and bump into me.. you would never be mad...

I am going to miss all the time I got to spend with you after church..... how lucky I was to have that time with you.

So many good memories of you that I will CHERISH FOREVER. A legacy of love and honor.

All the times you told us you had great children... it was because of you Mom.

You were the BEST MOM EVER!

I am so lucky God gave you to me!

I miss you so much already!

HOW AM I GOING TO SAY GOOD BYE?
