“ *Mr. Kelly was a wonderful man. My 2 friends and I were late to class now and again. We had to see him to get a pass for class. We vame up with many excuses ie; herd of elephants in the hallway, a giant iceberg blocking the door, pygmies chasing us with spears. He always got a chuckle with our stories and excused our tardies. I never heard an unkind word from him or about him  
There will never be a greater teacher or vice principal. I was classof 1979.*
