Papa was always so proud of his grandchildren! He loved each of them to the Moon and Back. Everyone could see it in his tears of joy and pride beaming from his smiles. You will always be their biggest fan. Let your Light continue to shine upon them throughout their journeys.

“ My Father was a great man. He taught me how to be responsible, respectful and kind hearted. To treat people right and always be a gentleman. This last Sunday, the day of the Lord I lost my father from this world, but I will never forget the strength, honer, loyalty, love that he forged this family into. I miss him so much everyday... 😞 but we must carry on his legacy because I know God will take care of him... My Father is a great man. Love you forever Dad!

“ Grandpa and Grandma always spoiled us during Christmas, so Grandpa would dress up in all this Christmas gear and pretend he was Santa and bring us in piles and piles of presents.

“ Grandpa and Grandma never failed to show up and support their grandchildren. Grandpa was always our number 1 fan and would always add bumper stickers or get a new hat for whatever school we went to.
