“ The most treasured memories of my life took place in Roscommon, which often included the Alexander family. Elaine was always a joy to be with. She was welcoming, easy going and her laughter will never be forgotten. It didn't matter how much time went by between visits, she just picked up where she left off. Always eager to share a story or two and always interested in hearing yours. In later years it seemed we would always run into each other at Kohl's. How I loved seeing her smiling face, hearing the latest family news and about the scrap books she was joyfully working on. I always admired the love displayed between her and Burt. They both made and continue to make an impact on all of us and we are blessed because of the entire Alexander family. In the midst of grief and loss, may your hearts find peace knowing she's been set free from illness and made whole in the beauty of God's love.

“ Brendan - sad to hear about your grandmother but what a loving family she created. Grieve indeed while you savor the memories.
