“ *I am truly saddened for the family and the loss of Mrs. Weins. I am a former student of hers and want to share that we had so much fun and shared a lot of laughs along the way--the story of her husband helping her to get over her fear of having an MRI so he helped her by pulling her in and out from under the bed.(I still laugh today) We (the whole class) were determined to make sure she was our teacher for the next module, that's how much we LOVED her. She could balance when it was time to have fun along with being professional and made sure we knew what we were doing in order to pass the class. My condolences to her family. Coleen*

“ Mrs. Weins was one of my first teachers at Dorsey. She exemplified everything a teacher should be and I will always remember her. She truly was a mentor to me. I can still see her smile.

My prayers are with her family

“ Our sorrow and sympathy to the Weins family.

Ellie will truly be missed by all of us at Ryan Medical. She was part of our family for a long time. Ellie was funny, kind, compassionate and a devoted friend and co-worker. We all loved her as well as many patients. She made us laugh daily with her funny stories and was always eager to help in any way. SHE WILL BE MISSED BY EVERYONE.
