“ *Elena, each day with YOU was special,  
It's hard to express.  
I loved your smile and your sweet tenderness.  
You were so amazing and beautiful in so many ways, I wish I could  
hug you right now, WHY did you have to go?  
These days are hard without you, but this you should know  
When the day comes to join you in that heavenly place, a beautiful  
smile for the ages will be on my face  
Will remember you for ever
