“ *To the Szawarski family, we were saddened to hear of Elizabeth's passing and would like to convey our deepest sympathy to you. Although we only met Mr. and Mrs. Szawarski once, our interactions with Tom are certainly a lasting tribute to his family and are surely his parents greatest legacy. We thoroughly enjoyed some wonderful time exploring the mountains and streams around Copper Harbor with Tom during his high school years, and wish him all the best in years to come. Please know that we are thinking of you during this time of mourning. The Jane family.*

“ *I didn't know Elizabeth but I do know her son Tom. He is an amazing colleague and an amazing friend. He always treats everybody around him with respect and he has taught me a lot while working with him. It's clear that Elizabeth has done an amazing job as a mother. I pray for her and her family. So sorry for your loss. Best wishes - Chafeek Nehme*
