“ *My dear Ellen, we have hadamnt good times in high school! We hung out all the time and even got in trouble together. You always had a special heart and got along with everyone. You were my best friend in high school and I'm so sorry we didn't get to see each other much afterwards. You will be missed dearly and I know you will be having fun in heaven. You can let us all know about the good things to do when we arrive. Love you ❤️ My heart goes out to everyone ❤️*
