“ *You were our neighbor for over 35 years and what a very happy, thoughtful and caring person you were. We would always see you outside making sure your flowers and lawn were looking good, and after all your work outside was done you would sit in your chair enjoying the weather and waving to all who passed by with your smiling wave. You always took the time to check on your neighbors especially our family. You will be missed. Our thoughts and prayers are with your family. Love Rosie and Norma Cavasin*

“ *I will always remember him cutting the grass and tending to his garden. I loved seeing him sitting on the side of the house in his lawn chair taking a nap after all the yard work was done! There was no better neighbor! We will miss seeing you next door but I am so thrilled I was able to know you all these years!*

“ Enzo and Pia,
It has been many, many years since our days in the old neighborhood. I have thought of you both over time and want to express my sympathies on the loss of your father. May God bless and comfort your entire family.
