

## Elvis R Silvani

May 15, 1960 - December 28, 2023

It is with a heavy heart, we are sorry to share that Elvis Silvani, age 63, unexpectedly passed away after acquiring pneumonia and respiratory failure from the hospital. He is the loving son of the late John and the late Margaret; cherished brother to 8 brothers and 6 sisters; preceded in death by 7 siblings; dear godfather of his niece, Tina.

Elvis loved taking walks, enjoying the sunshine and nature. He was a proud left-handed person. He loved football and baseball. While some people may know him as Robert, Elvis graduated from Fitzgerald High School in 1978. Elvis sometimes drove Yogi's ice cream truck for his brother Tom's business. He had a smile and laugh that was contagious to all.

In lieu of donations in memory of Elvis and maybe save a loved one going down the wrong path in life; please read two books 1. Pepperdine to Prison. 2. Guardianships and the Elderly: The Perfect Crime, written by Dr. Sam Sugar. Both can be found on Amazon or request at your local library. Please pass the information on to make the world a better place.

“ *Elvis you fought for your life and didn't want to leave. The system failed you. If your story can save another life you can smile that beautiful smile from heaven. I know mom was waiting for you saying oh Elvis you are here with open arms along with dad, Jesus and the rest of our family and friends we miss here. Give them all big hugs for me. To honor you we ask for no monies or flowers, but to read how the nation may help save another life that you have endured through it all that may have gotten into street substance or prescribed by another that professed to do no harm, 2 books please read can be purchased on Amazon and pass it on until every single soul in the nation know how to possibly save one of their loved ones. Book From Pepperdine To Prison (No Elvis was not in prison physically). It is about substance abuse that can ruin a promising life. May help his nieces and nephews some day. Other book is by Dr. Sam Sugar Guardianship The Elderly The Perfect Crime. Tells about how to prepare for end of life, so your disabled adult children may be taken care of while you are gone. Love you brother to eternity and your beautiful happy smile and laugh will always live on in my heart and soul. God Bless you your light will always shine on!*
