“ *An Uncle, a friend, a life advisor to me, Eric was so many things. One of the very few men on earth I both loved unconditionally and respected/ genuinely looked up to as a child.*

*To me, his best qualities were his sense of humor & strength. The hundreds of stories, funny situations, jokes and awesome times will forever be tied to Uncle Eric in my mind. His nephew / friend Bobby.*

*I love and miss him more than I can convey. If these words last hundreds of years and someone finds Eric was an ancestor, know you had one of the best. His last words to my me were I love you. One of the greatest.*
