“ I grew up with Jennifer and although we grew up and went our separate ways and didnt keep in touch, I always loved her parents they were so kind, and always made everyone feel welcomed into their home. I always loved when he sang "jennifer"... To this day, I can still see him singing it... Thank you for all the great childhood memories Mr. Provost... You will be missed... To the family:

Goodbyes are not forever.

Goodbyes are not the end.

They simply mean I'll miss you

Until we meet again!
