“ *OMG! I've known Erskine since I was 9 years old. We began going to school together at Mackey Branch Elementary School in Gosport, AL in the 4th grade. I keep having these flash backs of Erskine and his best friend Wayne Morris. They both had childhood crushes and use to pick on me all the time in school. After school, while waiting on the school bus, they would both hit me and take off running laughing. My greatest memory of Erskine is the athlete he was in high school and the host of friends he made on his team. They were the best of friends. They were always together like a rat pack. When you saw one of them, you saw them all. I am sure all of his football friends will miss him dearly as well as I will. We were so hoping he would be able to make our 40th year class reunion in 2016, but he will be with us in spirit. - Bonnie Patton (Class of 1976)*

“ *Erskine and I went to school together in Alabama. He was a great guy. Very funny. We had this ugly teacher and one day it was raining and lightening and Erskine told her to look out because God don't like ugly. This is just one of the memories that I have of him. He was so funny and he loved the outdoors. I am sadden to hear of his passing. I am praying for the family. I live in Livonia, Mi. and I will be at his viewing tomorrow after 6 pm. God bless his children and grandchildren and all who loved him.*

I went to school with Erskine also. The graduation class of 1976 was a blast! We were all a close class. I'm so sorry for your loss! Praying for comfort that only God can give and peace that passes all understanding!
