“ *I would like to express my condolences to The family of Eryka. My name is John Paulson and I first met Eryka a couple years ago when she and my mother Angeline Paulson was a resident at Canterbury on the Lake in Waterford. The things I will remember most about Eryka is that she always love talking about her family and about her old country. I loved listening to her talk about those things. Because as she spoke you could feel the love that she had for her family and her country. My mother Angeline was also of Polish heritage and I have fond memories of my mothers Polish side of the family. And when I visited Eryka it would take me back to my good times that I had with my family. After losing my mother not long ago I was grieving and feeling sad and I knew if I saw Eryka and that sweet smile that she always gave me I would feel better. So I drove up to Canterbury on the Lake and visited Eryka that day. As soon as I saw her I got choked up and I couldn't do much talking. But Eryka held my hand and rub the top of it and told me that I was a good son and I loved my mommy. I'll take that visit to my grave as one of the nicest things somebody could do for me. She was just such a special special person you were lucky to have her. All my Love John Paulson*
