One of the most genuinely maternal women that I have met in my life. What a beautiful legacy she leaves for her family and friends.

We may be sad, but let's not fail to forget her wonderful sense of humor. She is credited with a joke that will last in our family, forever...."two penguins are sitting in bathtub..." I still don't know why it is funny, but it just is.

Esther was known for a special travel phrase, also. She would "go Hamtramck." I know that she "go Heaven", now.

“ Sorry for your loss. Esther was a wonderful person and a great friend.

We had great times working at St. Leo's soup kitchen and also having coffee with her at McDonald's. We will keep your family in our prayers

“ My condolences to the entire family of Esther. I knew "Aunt Esther" thru my brother-in-law Gil and my sister,, Donna. Every time she came over for family celebrations, she was sweet and kind and funny and I knew she was a very special lady. I will definitely miss seeing her. Know in your hearts that you now have an angel up there looking out for all who loved her. She will always be with you because of the love you had for her and her for all of you.
