“ *I will always remember how gracious and kind Mrs. Martin was when she took me over to her friends house to teach me how to make a rosary, and how generous she was to have given me some of her rosary making supplies.*

“ *I had an interview for school that I did with Aunt Ethel back in October...just to pass it along, she said the B12 vitamins were the one thing she thought that kept her going...all the way to 94! Loved her dearly and will miss her sweetness. May she dance with all the angels in heaven, or at least play cards with them :)*
