

## Dr. Eugene "Gene" C. Watkins B.S.ed., M.S., N.D.

June 23, 2014

After nine years of teaching High School Science, Dr. Watkins was intrigued with the field of Natural Healing. This led to further education and ultimately obtaining his Doctorate in Naturopathy. He dedicated himself to the practice and conveying his knowledge to students throughout the United States, Canada, Australia and New Zealand. He was also the founder and President of Pure Herbs, LTD., which for the last 35 years has manufactured and distributed herbal extracts and vitamins. Gene Watkins was not only a dedicated teacher, but through his travels touched many lives and became a lifelong friend and mentor.

His passing will be a great loss, not only to family, but also to all those who have known and loved him.

“ *I had Dr. Watkins for my botany teacher at Lamphere High School in 1974-75. We enjoyed speaking Swedish with each other on occasion.*

**Christina** - February 22, 2016 at 10:40 AM

“ *One of the kindest, most generous people I have known, yet never met. We chatted via phone several times over the years, and I will always remember his wisdom and affable nature. He will be sorely missed. Our loss is Heaven's gain. Condolences to his family.*
