“ I will always love Mr and Mrs Mandziuk, never an unkind word (well, occasionally Mr Mandziuk would razz me, with tongue in cheek of course). Mr Mandziuk will always be remembered as one of the most generous and kind men I knew growing up in Warren. He is one of the key pillars to growth in our community and regret having not been able to glean more wisdom from him. Still, I cherish the memories that he helped to form from sponsoring our first Soccer team up to allowing us to visit his cottage and the countless acts of kindness he showed proving dignity and honor for so many at the most difficult times in each of our families lives. Thank you Mandziuk family for the heart of Christ you continue to share. Much love BillyO

“ Having been from the 9 Mile and Dequindre area your Father's name goes way back for the Adair Family. My Father Ed was a friend of Eugene's many years ago. Our family always found comfort in the Mandziuk Family's handling of the funeral services for our dear loved ones. May he rest in Eternal Peace and the entire Mandziuk family know how blessed they were to have Eugene as the head of their family. Sincerely,  
Lynn Adair Shroyer

“ Gene will be missed by so many. My memories of him with the Utica Shelby Kiwanis Club will never be forgotten. I sat at our luncheon table next to Gene for 18+ years. He would call me the day before some weeks to remind me that we have a meeting tomorrow. Gene ALWAYS would hold the seat next to him. We had many years of great conversations and many laughs with our group that always sat together. He was the classiest man I've ever known. Always in his suit and tie. Very lucky with our card games and 50/50 raffle. He generously would donate his winnings back to the club. I'm glad to have known you . You will be truly missed by so many. I'm sure your dancing around with Bunny. Rest In Peace 🙏🙏

“ Gene was a true friend to all he met. He loved attending his Kiwanis meetings. I was raising my two granddaughters and had to take them to Kiwanis meetings with me. The girls were only 10 months apart and both tiny at ages 3 & 4 years old. He always called them the twins and always had a little something for them. If I didn't have the girls with me at a meeting, he'd come up to me and say where are my twins, I have a treat for them. Then when we moved to Florida he came to my house and wanted to buy my grandfather clock for the 18 mile Funeral home and also my roll top desk. He said since Ted and I were moving so far away he wanted something of ours to remember us by. It's great when we walk in at 18 mile to see our grandfather clock Gene wanted to remember us. Was such a good friend. You will be missed Gene by SO MANY of your dear friends and family. I know Bunny's been missing you and now you're together again. God bless the Mandziuk family during these difficult days. RIP Gene. Shirley & Ted Medlin

“ Gene was a great man and great Kiwanian (Utica-Shelby Township Kiwanis) - who was generous to a fault, and truly loved his family - it showed in every way. I remember when I was serving as President - Gene attended every meeting at Filippas - and was keen on reminding me that I needed to dress the part (as he did - wearing a suit every week to the meeting) - no informal attire was acceptable (in a kind way). The world lost a great individual - now he is at peace, in Heaven, with Bunny.
