“ *Dear family, I am sorry about your loss and like to extend my deepest sympathy for your loved one Eva Crinson. Releasing and expressing grief is not always easy; especially, when you have to seem strong for other family members. Job and many others find that talking about your feelings to a ?true companion? who will listen patiently and sympathetically can bring a measure of relief. (Proverbs 17:17) And if the listener is another bereaved person you may be able to glean some practical suggestions on how you can cope. Never keep things bottle in. Please find comfort in these additional bible scriptures Luke 23:43 and John 5:28, 29.*
