*My Sister, My Angel, has left these earthly bonds to be with our parents and her Saviour, Jesus Christ in a heavenly place triumphantly, and we look forward to the day when we all shall be together again. You will be missed until then... A memory, although there are many wonderful ones, was when you called and told me and the family that you and E' and the kids were up at WILDERNESS State Park Camping. So, we got our gear and early next morning we drove up (kind of fast like) and was there to have breakfast with you at 8 AM. What beautiful times we had together camping and picnicking in the out doors. Beautiful times went where ever you went.*
