I love you Dad. Thank you for your life on earth. We know you are in a better place. It just stinks that you aren't with us physically. I pray I am the best daughter that you ever had.

“ *I've known Felix since 1972, then when I moved to Detroit from Philadelphia in 1973 we became good friends total of 8 of us friends from Detroit and Windsor. We always get together every weekend. Then finally he moved to Detroit when he married Rosario in 1978. He is a good husband and father to Anne Marie. When all of us had our own family we seldom see each other but the friendship remains the same. Was so happy when I joined our BLD prayer group I saw Felix again and his family. My daughter Olivia is also a friend of Anne Marie. Felix I will surely missed you and I know the rest of our friends will missed you too. “ *My sister and I have always known him as Manong Felix. Growing up, there were only a few occasions when we saw each other as part of a gathering of relatives. So we shared that bond and hold fond memories knowing that we are kin to each other. In our visit to Michigan, Manong Felix shared his home and family with us and took us around Mackinac island.*

We thank our good Lord for his life and rejoice in the blessings he has been to so many people. We offer our deepest sympathy to his family. May the coming days and weeks be filled with God's peace that surpasses understanding, and the strength and courage for the challenges that awaits each day.

*Much love and prayers,
Agnes, Beng, and Nanay Pacing*
