“ *Ferne helped raise our son for the first 3-1/2 years of his life. To call her a babysitter would be an injustice. She was far more than that! He is now a wonderful young and successful man with a family of his own. Much of that credit goes to our special "Fernie." We loved her so much then and we still love her now, even though we haven't been in touch very often. She and Richard were a very important part of our lives. Our deepest condolences to you, Theresa, Betty Jane, and Richie Woo-Woo. Live, Don, Vonnie, and Stephen*
