“ *We didn't know Frances very well as we lived out of state but she was always so open and inviting. I remember her amazing cakes, especially her pineapple upside down cake. Rest in peace Frances, your in God's kingdom where you belong.*

“ *We are so saddened to hear of Frances passing. She always had a big smile and warm hug to offer. She was loving, kind and nurturing. A most gracious woman. She will be missed by so many. Rest in peace Frances. God Speed. Jamie and Virginia Bayliss*

“ Grandma was truly my best friend from the time I was little playing wiffle ball and badminton with me, baking her famous chocolate chip cookies, and always an ear for me when I needed her. A faithful prayer warrior she put her own pain aside when grandpa died to take care of our family always. She always put herself last to take care of us. She loved her son (my dad) so so much and her grandkids and especially her great grand kids and always treated everyone with respect and love. I am so lucky to have had her she was more of a mom than a grandma. She stepped in when my mom passed and has always been there to support me. Thank you grandma for your love. I long for the day to see you again. Already the world is not the same. But heaven is so much stronger today. Safe journeys. So happy you are with grandpa pain free now. Please don't worry about all of us we have the gift of your strength inside us all we will make you proud. I love you so much. Michael.

“ We absolutely love Francis and will miss her dearly. She was not only our neighbor, but a great friend. She treated my family as if we were part of hers. We have so many great memories of her. My kids favorite memory is how Francis made each one of us a birthday cake for our birthdays. It was always so sweet and special for her and for us.

“*Fran was a loving & wonderful wife, mother, grandmother, great grandmother and in our case a caring and dear friend who we will certainly all miss. We pray for her entire family and all who knew and loved this wonderful lady, that The Lord will replace the feelings of grief and loss we all share, with Thanksgiving for her life, and with joy in the many memories of her that we cherish. With Deepest Sympathy to Fran's entire family.*
